Rotary Centre for the Arts Welcomes Tentacle Tribe's Captivating Dance Performance *Prism*

(Kelowna, BC) – The Rotary Centre for the Arts (RCA) is excited to present *Prism* by Tentacle Tribe to the stage at the Mary Irwin Theatre on Wednesday, October 30, 2024. Approaching choreography through a wide variety of movement philosophies, the Montreal-based dance duo Tentacle Tribe concocts uncommon dance works with a vibrant contemporary approach. Join us before the show for an exciting tasting event featuring Motherlove Ferments, where you'll have the chance to explore a variety of vibrant kombucha and water kefir flavours.

Get ready for the Montréal-based Tentacle Tribe, whose singular style blends hip-hop, martial arts, and contemporary dance. Limbs, reality, and illusion intertwine in this not-to-be-missed kaleidoscopic voyage like no other.

Executive Director of the RCA, Colleen Fitzpatrick, shares her excitement: "We are thrilled to bring *Prism* to the Mary Irwin Theatre. It's always exciting to welcome such innovative talent from Montreal to Kelowna. This performance is a unique opportunity for our community to experience something truly extraordinary, and we can't wait for audiences to witness the artistry and energy that Tentacle Tribe brings to the stage."

Prism is a masterpiece. With talent to spare and an abundance of imagination, Emmanuelle Lê Phan and Elon Höglund deploy their tentacles in luminous spheres. The quintet of dancers moves gracefully across a reflective floor, interacting with five movable mirror panels that they manipulate from various angles. This creates a mesmerizing kaleidoscope of movement, where the dancers' bodies merge and intertwine, producing an endless array of vibrant, ever-shifting images.

With a myriad of possibilities, distorting perspectives, and deconstructing movement into infinite combinations of colourful images, *Prism* is a dreamlike journey with a truly hypnotic effect.

Audiences can expect to be absorbed into a world that is fantastic, mysterious, and beautiful.”
